Dear Sir,

Re: Sale of Non Marketable Parcels of 7500 shares or less

The Directors of Jumbo Corporation Limited (the "Company") wish to advise that the acceptance period for notices of rejection of the Company's compulsory sale of Non Marketable Parcels of shares, as announced on 15 November 2004, has expired.

Information relating to the compulsory sale is as follows:

	No. of Holders	No. of Shares
Shareholders receiving the documentation	507	1,705,559
Less Notices of rejection received	173	546,283
Shareholders affected by the final sale	334	1,159,276

The Directors will now proceed to procure the sale of the above 1,159,276 shares on market.

Following the sale, the proceeds (to be held in a special purpose banking account) will be sent to the relevant shareholders. Unclaimed proceeds will be held in trust for requisite period and will then be paid to the appropriate government authority.

The sale of the small parcels will result in the Company's register of members decreasing from approximately 1630 shareholders to 1300 shareholders. Directors believe that this reduction will result in savings in shareholders related costs, including share registry, printing and mailing costs.

The Directors wish to thank those holders of small parcels who opted for their shares not to be sold for their continued interest in the affairs of the Company.

For further information please contact Garry Clark on (07) 3230 6000.

Yours faithfully

Garry Clark
Company Secretary
