

ASX RELEASE – Monday 3 September 2007

JUMBO SIGNS MANACCOM PURCHASE AGREEMENT

Directors are pleased to announce that an unconditional Business Purchase Agreement to acquire the Manaccom Business was signed with an effective date of 31 August 2007.

The trading results for Manaccom will therefore be consolidated into the Jumbo results from 1 September 2007 onwards.

Manaccom is a specialist software publishing and distribution business that supplies major retail chains including Harvey Norman, Dick Smith, JB Hi-Fi and Officeworks with popular software titles such as Trend Micro Internet Security.

As announced on 23 August 2007, shareholders approved the issue of 80,000,000 shares as part consideration for the acquisition of the business.

Following the issue of these shares, the company will have 448,071,110 fully paid ordinary shares on issue.
