

ASX RELEASE – Thursday, 18th October 2007

NOTICE OF ANNUAL GENERAL MEETING

An Annual General Meeting has been called for 22 November 2007 to give shareholders the opportunity to vote on a number of Resolutions including a change of Company name and a consolidation of capital.

The Company name is proposed to be changed to **Manaccomm Corporation Limited** to reflect the contribution that the newly acquired Manaccomm business will have to the Company.

A 1 for 10 consolidation of capital is proposed to reduce shareholder-related costs. If approved, the number of shares will be consolidated from 448 million shares to 44.8 million. This would have the effect of reducing the number of shares held by each shareholder by a factor of 10, but with an accompanying share price adjustment. The percentage that each shareholder holds of the company will remain the same. This would also have the effect of consolidating the 16.25 million 10c employee options into 1.625 million options with an exercise price of \$1.00.

Changes to the Board of Directors and Company Officers

In keeping with the Company's new direction, the Company proposes to realign the Board of Directors and Company officers as follows.

- Mr Alan Phillips will retire as chairman and non-executive director at the AGM. Mr Phillips has been chairman since 2000 and was instrumental in the restructuring of the Company.
- Mr David Barwick offers himself for re-election as a non-executive director and if approved, will become chairman.

Item of business No. 5

Consolidation of Capital – Resolution 4

Section 254H of the Corporations Act provides that a company may, by ordinary resolution passed in general meeting, convert all or any of its shares into a larger or smaller number of shares. The consolidation of capital is permitted under clause 10.1 of the Company's Constitution.

Shareholder approval is sought to consolidate the Company's issued capital by consolidating every 10 existing shares into one new share. The consolidation is proposed by the Company in order to reduce the number of Shares on issue. The consolidation will take effect on 30 November 2007 (**Record Date**) and otherwise on terms set out in the Explanatory Memorandum.

This means that each Shareholder's holding will be reduced by a factor of 10. For example, a shareholder who holds 10,000 shares on the date of the Meeting will have his/her/its holding reduced to a total of 1,000 post consolidation.

As at the date of this Notice, the Company has 448,071,110 ordinary shares. Accordingly, if this resolution is passed, the number of ordinary shares on issue will be reduced from 448,071,110 to approximately 44,807,111. There are currently 16.25 million unlisted employee share options exercisable at 10c on or before 4 July 2009. Following consolidation, these will be converted to 1.625 million options exercisable at \$1.00 on or before 4 July 2009.

The consolidation will take effect on the 26 November 2007 in accordance with the following proposed reorganisation timetable:

22 November 2007	Shareholder approval.
26 November 2007	Trading commences in the reorganised securities on a deferred settlement basis (the Effective Date).
30 November 2007	From this date (the Record Date), the Company may not register transfers on a pre-consolidation basis. In the case of certified holdings, last day for the Company to register transfers on a pre-consolidation basis.
3 December 2007	First day for the Company to send a notice to all Shareholders and first day for the Company to register securities on a post-consolidation basis. First day for uncertificated security holding statements for the Shares to be issued to Shareholders. From this date, the Company rejects transfers accompanied by a certificate that was issued before the consolidation.
7 December 2007	Dispatch date. Deferred settlement market ends. Last day for the Company to send notice to all Shareholders. Last day for securities to be entered into the holders' security holdings.

The capital consolidation will result in any shareholder whose existing holding is not a multiple of 10 receiving a fraction of a share. These fractional entitlements will be rounded down as part of the consolidation, so that the consolidated holding will be rounded down to the nearest whole number.

Item of business No. 6

Change of Company Name – Resolution 5

Following the acquisition of Manacomm Pty Ltd, the Company seeks the approval of shareholders to change its name from Jumbo Corporation Limited to Manacomm Corporation Limited.

For the Company to change its name the Corporations Act requires that it be adopted by special resolution of members. For a special resolution to be passed at least 75% of the votes cast by or on behalf of members entitled to vote on the resolution must be cast in favour of the resolution.
