Items of Business No. 7 and 8

Consideration of Issue of Shares to Michael Veverka and David DeCampo

Introduction

The Company proposes to issue to Michael Veverka and David DeCampo (or their nominees) the number of fully paid ordinary shares that is equal to eighty-thousand dollars (\$80,000) (with the number of shares to be calculated based on the 5 day weighted average trading price of the Company's shares for the period immediately prior to the issue) each in consideration for services rendered to the Company through their roles as Executive Directors of the Company.

The Company proposes that both Michael Veverka and David DeCampo will receive remuneration packages which will consist of cash together with these shares in lieu of cash. Taking shares instead of cash will assist the cash position of the Company and will allow for more working capital to advance the growth of the Company. The non-interested directors believe that the remuneration packages proposed to be given to both Michael Veverka and David DeCampo represent reasonable remuneration for the services they provide to the Company. The issue of these shares is subject to the appropriate shareholder approval being received. If approval is given under ASX Listing Rule 10.11, approval will not be required under ASX Listing Rule 7.1. The Company will not receive any funds as a result of the issue of these shares.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless the benefit falls within one of various exceptions to the general prohibition. One of the exceptions includes where the company first obtains the approval of its shareholders in general meeting in circumstances where the requirements of Chapter 2E in relation to the convening of that meeting have been met.

A "related party" for the purposes of the Corporations Act is defined widely and it includes an entity controlled by a person who was a director of the public company within the previous 6 months.

A "financial benefit" for the purposes of the Corporations Act has a very wide meaning. It includes the public company paying money or issuing securities to the related party. In determining whether or not a financial benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the financial benefit is to be disregarded, even if it is full or adequate.

These proposed Resolutions, if passed, will confer financial benefits on Michael Veverka and David DeCampo and the Company seeks to obtain member approval in accordance with the requirements of Chapter 2E of

the Corporations Act and for this reason and for all other purposes the following information is provided to shareholders.

The related party to whom Resolutions 6 and 7 would permit the financial benefit to be given

In relation to Resolution 6, the financial benefit would be given to Michael Veverka (or his nominee). Michael Veverka is a director of the Company and, as detailed above, currently holds shares in the Company.

In relation to Resolution 7, the financial benefit would be given to David DeCampo (or his nominee). David DeCampo is a director of the Company and is associated with a shareholder of the Company.

The nature of the financial benefit

The nature of the proposed financial benefit to be given to Michael Veverka and David DeCampo (or their nominees) is the issue of the number of fully paid ordinary shares that is equal to eighty-thousand dollars (\$80,000) (with the number of shares to be calculated based on the 5 day weighted average trading price of the Company's shares for the period immediately prior to the issue).

The closing price for ordinary shares in the Company as at 20 October 2005 was \$0.057. The high and low share prices for the last three (3) months were \$0.079 (on 29 July 2005) and \$0.054 (on 6 October 2005) respectively, and for the last twelve (12) months were \$0.097 (on 22 March 2005) and \$0.019 (in December 2004) respectively.

The following table sets out for illustrative purposes the number of shares that would be issued to Michael Veverka and David DeCampo pursuant to resolutions 6 and 7 if the number of shares to be issued was calculated based on the trading price as at 20 October 2005 and other similar trading prices.

Share Price	Number of Shares
\$0.045	1,777,778
\$0.050	1,600,000
\$0.055	1,454,545
\$0.057	1,403,509
\$0.060	1,333,333
\$0.065	1,230,769
