ASX RELEASE – Thursday, 2 July 2009

Record \$90 million OZ Lotto

Leading Australian IT and e-commerce company Manaccomm Corporation Limited (ASX:MNL) is pleased to announce that this week’s Australian record \$90 million OZ Lotto jackpot has generated significant activity for the online lottery division and its flagship website www.ozlotteries.com.

“The \$90 million OZ Lotto jackpot generated immense public interest Australia-wide as well as at our Ozlotteries.com website”, said Mr Mike Veverka, CEO of Manaccomm Corporation Limited.

Ozlotteries.com is the exclusive online selling agent for NSW Lotteries Corporation until 2013. Customers that visit the official www.nswlotteries.com.au website are directed to buy online at Ozlotteries.com.

Ozlotteries.com also has an online marketing partnership agreement with ninemsn that features a co-branded website with advertisements featured prominently throughout the www.ninemsn.com.au website.

“The immense public interest has significantly expanded our customer database and has had a positive effect on our online lotteries business”, said Mr Veverka.

www.manaccomm.com

Manaccomm has steadily built the Ozlotteries.com website over the past 4 years since acquiring TMS Global Services Pty Ltd in May 2005.

The success of the website was a catalyst for the 5 year exclusive agreement with NSW Lotteries that was signed in December 2008.

The company also has a 5 year reseller agreement with Tattersall's extending until June 30, 2013.

About Manaccomm

Manaccomm reported a record half year Net Profit after tax of \$1.0 million for the half year ending December 31, 2008 and paid a fully franked 0.5c half year dividend.

Manaccomm also reported a record full year Net Profit after tax of \$2.73 million for the full year ending June 30, 2008 and paid a fully franked 1.0c full year dividend.

Manaccomm Corporation Limited is the amalgam of two successful businesses.

1. Online Division. This business is involved in the online sales of Australian lottery tickets from www.ozlotteries.com and from a number of outlets in Pacific countries such as Fiji, Samoa and Norfolk Island.
2. Distribution and Software Publishing. This business was acquired in 2007 and it publishes and markets popular software titles through large retailers and independent resellers in Australia and New Zealand. Key retail relationships include Harvey Norman, Officeworks and JB Hi-Fi. Products include McAfee Internet Security, Net Nanny and Zone Alarm.
