About Jumbo Interactive

Jumbo Interactive Limited is listed in Australia (ASX: JIN) as well as the German Frankfurt, Berlin and Stuttgart exchanges (Symbol: WKN A1C82X).

In 2000, Jumbo sold its first lottery ticket on the internet and witnessed a dramatic rise in popularity due to the convenience of buying tickets online. At first customers were attracted to the security of never losing a ticket and the convenience of automatic number checking, prize payments and auto-play. In 2012, Jumbo released a lottery app for the iPhone and in 2016 one lucky customer using the app won a \$25 million Powerball division 1 prize. The appeal of mobile devices was taken a step further with the release an app for the Apple watch with prize alerts, winning numbers and ticket management now available on the wrist.

The Company operates the popular website www.ozlotteries.com in Australia under agreement with the Tatts Group (ASX: TTS) and www.jumbolotto.de in Germany under federal licence and agreement with all 16 Länder (states).
